Item No.: WH #3

CIA/OCT / WHIZWH 740223

DIRECTOR: WHITE HOUSE SITUATION ROOM

SUBJECT: CAMBODIA--THE MILITARY SITUATION

25X

25X1

Cambodian Army operations on the Phnom Penh's southern front continued to make good progress yesterday. Government troops advancing east along Route 201 were only a few miles short of linking up with units on Route 2 late yesterday afternoon. Army units also remained on the attack along Phnom Penh's northwestern defenses yesterday. Only minor shellings and ground probes occurred on other fronts around the city.
